Today's opponents

The Club was founded in 1892 and although first called Ware Town soon changed its name to plain Ware FC. This unassuming title makes it probably the shortest named affiliate of the Football Association and has caused problems for programme editors and journalists ever since.

In fact, the Club has been anything but unassuming. It has held senior status from its very beginning, entering the Herts Senior Cup for the first time in 1893, and winning the cup on the first of five occasions in 1899 with a 2-1 win over Hitchin at St Albans. By this time Ware had been instrumental in founding the East Herts League and had won its championship on two of the three times it had been competed for. The club was to win it five more times before moving on to the North Middlesex League in 1907 and then also to the Herts County League in 1908. The Championship of the latter came that season in a three-way play-off against St Albans City and Welwyn.

After the First World War the Club gained a league and cup double with a second Herts County League Championship and a fourth Herts Senior Cup win in 1922. The scenes in Ware when the team returned with the Senior Cup tell us something about the hold that football had on local loyalties at the time. The local paper reported that "Large crowds awaited the return of the special train to Ware, everybody being in high spirits. The Cup was marched through the town in front of a cheering throng." Indeed, it was later recalled that the cup was taken through the town on subsequent nights and that stops were made outside public houses where it was charged with beer before being drained by the crowd.

Shortly after this Ware joined the Spartan League in which they were to enjoy several successes, winning the Division 2(B) Championship in 1926, Division 1 in 1951 with the highest "goals for" total ever achieved by a club in the Spartan League, and the Premier Division in 1952. In these later years the Club also made significant progress in the old Amateur Cup meeting many famous sides on the way. One of these was Hendon, against whom Ware drew their largest attendance of 3,800 in the 1st Round in January 1957.

Moving on to the Delphian and then Athenian League, Ware enjoyed another successful period. Two promotions, two league cup wins and two reserve championships paved the way for progress in the FA Cup. In this Ware reached the First Round proper for the first time in 1968 when they travelled to the then Third Division side Luton Town. The opposition had a 100% home record but the game was scoreless with 30 minutes to go before a judicious substitution broke the stalemate and left Ware beaten 6-1 at the final whistle.

In these successful circumstances it was not surprising that Ware pressed for entry to the expanding Isthmian League. This was achieved for season 1975/76 and they have maintained their place at that level ever since. This is thanks most recently to their Division 2 Championship season of 2005/6 under manager Glen Alzapiedi which carried them into Division 1 just before Division 2 was disbanded. Alzapiedi's side brought further distinction with another FA Cup First Round appearance in 2007 which saw a narrow home defeat against Kidderminster Harriers in front of 2,123 spectators, a record for the current ground at Wodson Park.

Before that a tenth Herts Senior Cup Final in 2001 and another in 2008 have emphasised the club's long history and continuity.
Ware is the first of only three possible candidates to appear in this final in three separate centuries, evidence that it is still one of the county's leading clubs.

Paul Halsey Ware Manager: Paul started in management as the goal keeper coach at Ware in 2007 before graduating to team manager two years later.
He moved on to the assistant manager's role at Billericay Town for the 2011/2012 season when they won the Isthmian League title. Since then he has held the manager's post at Hoddesdon and then Hertford town before returning to Ware as manager in 2018 when he guided the club to seventh place in the table, its highest in eleven years. By the time the following season was brought to a halt by the Covid outbreak Ware were clear at the top of the Isthmian League Central Division and in each of the two completed seasons since then his sides have reached the play-off final twice and a semi-final in recent seasons.

Our community role

Do you know what we do for the community via our Womens and Junior sections of club? Just have a look – we are more than a Step four club, we are a much larger, envied ONE CLUB. Aylesbury United Football Club.

The Womens and Junior sections are still proudly flying the Aylesbury United flag in and around the town. We are proud of them, and they are proud to do so. The Womens section comprise of 17 teams! 14 play in local leagues with another three 'social' playing teams. This amounts to more than 270 players, lead by 60 coaches and volunteers, more than 1,000 parents and club members receiving news and information about the club via social media and newsletters, etc.
Paul Timms, chair of the Women's section says: ''The demand for women's football is growing enormously, and we are proud to be part of it!''

The Juniors section is currently running 25 teams, with 370 players, 94 coaches and volunteers, week in, week out supporting the youth of Aylesbury, and unfortunately turning kids away as they have no capacity to take more (mainly down to the lack of – or poor quality of – facilities e.g. playing fields).
John Stirzaker, Juniors section chairman, states: ''Without facilities, we struggle, the town struggles and kids suffer, this is why it's so important to 'Bring the Ducks Home' and provided the necessary pitches required.''
Below are some amazing figures highlighting the hours given up by volunteers (of both the Womens and Juniors sections) to give the youngsters of Aylesbury the opportunity of playing football and being part of our club. I would imagine the hours are higher now but based on previous years' activity.

- **675 hours of weekly sporting activity by providing access to training.**
- **27,000 hours of sporting activity by providing access to training over a 40 week season.**
- **13,500 hours of additional sporting activity with participation in weekly fixtures.**
- **13,500 hours of sporting activity for members of the wider community who are members of other clubs and participate as our opposition in fixtures**
- **2,500 hours of sporting activity for club members and the wider community at our annual 'End of Season Football Festival'.**

The minimum total sporting activity that is provided to its members over a 40 week period, by AUJFC & AUWFC, is 56,500 hours.

And not forgetting the Pan-Disability and Walking football sections that also do an amazing job for our club. All sections are always on the look out for more volunteers and coaches, so if you fancy it, or know anybody that would be interested in helping the Aylesbury youth of today (and our potential players of tomorrow) then please make contact.
As ever, I appreciate your support, whether it be the Mini Ducks right through to the first team, I thank you, and I know we would not be as strong as we are without you all.

Chairman, Aylesbury United Football Club

MENS FOOTBALL

At Aylesbury United FC

The men's first team currently play in the Pitching In Southern League Division One Central. They are managed by Paul Batchelor.

Founded in 1897 – when local sides Night School, The Printing Works and Aylesbury Town merged to become Aylesbury United – the first team turned semi-professional in 1976 and joined the Southern League.

For the past decade the team has played in the Southern League at step four of the National League pyramid.

The club was evicted from our home ground in Aylesbury when the lease expired in 2006, and for the past 19 years has had to play home matches outside the town. For the past eight seasons, the team has played at The Meadow, home of Chesham United.

WOMENS FOOTBALL

At Aylesbury United FC

The women's first team currently play in the Thames Valley Counties Women's Football League Division Three North.

Aylesbury United Ladies was re-established in 2002, following a number of years without a team and the demise of Berkhamsted Ladies. Early highlights including a 7-2 victory over multi-time women's FA Cup winners Southampton Women's FC, and reaching the League Plate Final in 2004. The team picked up its first honours in 2007 with victory in the Thames Valley League Plate Final against Wolverton Wasps by penalty shoot-out. The Ladies won the League Plate again in 2014-15, the same season the club merged with junior side Vale Reds FC, to form Aylesbury United Ladies and Girls.

In 2023 the club changed its name to Aylesbury United Women to better reflect its position as an end-to-end female club for all ages with a clear pathway to the first team.

JUNIOR FOOTBALL

At Aylesbury United FC

Aylesbury United Juniors FC has a long history within the town of providing local youngsters with opportunities to train and play football. We currently provide this provision for more than 350 players from 3 years of age; through to 18.

Our Mini Duck sessions are for 3 to 6 year olds. Age groups U7-U12 play in the South Bucks Mini Soccer Conference where fixtures are considered an extension of training and aimed at development; and age groups U13-U17 play competitively at all levels within the Wycombe and South Bucks Minor Football League.
The club's all inclusive disability section also comes under the Juniors' banner and will play in the Berks, Oxon and Bucks Inclusive League.
As an accredited FA Club we will be able to provide regular football, so whether a player is looking to play for enjoyment, or has ambitions to play at a senior level, we can cater for their needs.

All of our volunteers are subject to FA enhanced background checks and are all encourage to develop themselves as coaches as their players progress.
The club also prides itself in supporting all volunteers including young coaches and referees.
If you are interested in joining Aylesbury United Juniors, please email:
membership@aujfc.co.uk

PAN-DISABILITY

At Aylesbury United FC

The Aylesbury United pan-disability team is a fully inclusive side for both children and adults with physical or learning difficulties.

The side is affiliated with the Berkshire Oxfordshire Buckinghamshire Inclusive (BOBi) League, one of the largest pan-disability leagues in the country.

Sessions take place at Ashmead School in Stoke Mandeville on Saturday mornings from 9am to 10.30am.

If children or adults you know would be interested in playing football, please come along to a session, or get in touch. Siblings, family and friends are also welcome to come along. There's no need to book, just bring suitable clothing, football, and something to drink.

The team was first established by James Byrne when his disabled son wanted to start playing football. He coached the team for four years, and it's now organised by Nick Gurney and his team of coaches.

WALKING FOOTBALL

At Aylesbury United FC

Walking Football was only invented in 2011. As the name suggests, no running – either with or without the ball – is allowed, and it is a no contact sport so all tackling must be done without touching the opponent. Teams are six-a-side, and is open to men over 50, and women over 40.

Our team was formed back in October 2015, thanks to the vision of the late Matthew Doherty. With an enthusiastic bunch aged between 18 and 78 turning out on a cold autumn night, Aylesbury United Walking Football Club was born. The ethos behind the club has always been to allow an inclusive environment for all to take part in the game we all love.

The team's success means there are two teams at Over 50 – the Aylesbury United Greens, and the Aylesbury United Stripes, as well as an Over-60s side, all of which participate in the Thames Valley Walking Football League. As the team is one of the pioneers of Walking Football, they often find themselves up against 'big' names of Football, and previous matches have seen the Ducks take on Watford, Oxford United, and even Arsenal.

Weekly sessions take place at the Aylesbury Vale Academy on Wednesday evenings between 7-8pm. The minimum age is 48 to participate due to the popularity and space available.
If you'd like to take part and get involved, please contact the team via its Facebook, Twitter or Instagram pages.

We are supporting strong action from the FA, and across the NLS to tackle antisocial and criminal behaviours that put all of us at risk

Please remember the following activities are illegal, dangerous, have serious consequences and have no place in our game:

- **Carrying or using smoke bombs or pyros**
- **Invading the pitch or entering the pitch without permission**
- **Throwing objects onto the pitch**
- **Drug use within the football ground**
- **Discriminatory behaviour**

For everyone's safety, we will report anyone carrying out these offences to the police, which can result in a criminal record.

Anyone who enters the pitch without permission and those carrying or using smoke bombs or pyros will now receive an automatic club ban. These measures could also now apply to the parents or guardians of children involved in these activities.

This reflects the seriousness of the risks to fans and staff – pyros can burn at 2000 degrees Celsius and cause life-changing injuries, while entering the pitch endangers players, managers and match officials.

It also impacts the hard working volunteers, who ensure that our special part of the game continues to run.

We know those who commit these illegal acts do not represent the majority of supporters. Please work with us to call out the risks.

Aylesbury United reserves the right to remove or refuse entry to the ground at any time.
