MANAGER

MATT ROBERTS

It’s great to finally be back at home!

After nine consecutive away fixtures, tonight gives us our first opportunity to play in front of our home supporters since 23 September, when we hosted Carterton.

Our scheduled home fixture against Ludlow was unfortunately postponed due to a waterlogged pitch, meaning the wait to return to the Imagine Cruising Stadium has been a little longer than expected. Hopefully, tonight will give us the chance to put that right as we return to cup action in the Wiseman Floodlight Cup.

We face a very tough test in Royal Wootton Bassett, who currently compete in the Premier Division.

It's always a fixture you look forward to, particularly with it being a local meeting, and one that brings an added bit of interest for both sides.

We know the quality and experience they will bring, so it will be a real challenge for our group and a good opportunity for our players to test themselves against higher-level opposition.

For us, it's about approaching the game with confidence, showing the right attitude and intensity, and making sure we compete from the first whistle.

We've had a challenging run of fixtures recently, but there have been plenty of lessons along the way, and we need to take

those into tonight's game.

It's been a long time coming, but we're delighted to be back at the Imagine Cruising Stadium.

Thank you as always, for your continued support, and hopefully we can make it an enjoyable evening.

Up the Marine!

A WARM WELCOME TO

ROYAL WOOTTON BASSETT TOWN

Bassett will be looking to progress in their third cup competition in as many games at the Imagine Cruising Stadium on Wednesday evening, following victories over Malmesbury Victoria (2-1) in the Wiltshire Premier Shield (on 27.10.26) followed by the weekends 2-1 win over Westfields in the Challenge Cup (07.11.26) and although they're without a win in their last four Hellenic Premier League games, they'll be buoyed by recent results and looking to get a run together before they return to league action on Saturday (14.11.26) when they host a big derby game against Fairford Town.

With the draws for the next round of the cups already having taken place, Bassett are set to host Swindon Town U21s in the Quarter Finals of the Wiltshire Premier Shield, Hellenic League Division 1 side Sharpness in Round 4 of the Challenge Cup and meanwhile the winners of tonight's tie, will face a trip to Premier League side Pershore Town 88 in Round 3 of the Wiseman Lighting Floodlit cup.

With a record of four wins, four draws and ten losses from their eighteen league games so far this season, Bassett currently find themselves in 16th place in the standings, but there is a big step between the two leagues and Supermarine won't be expecting an easy ride against their superior opposition and without a win in our last four games – a run which has seen the boys comprehensively defeated in the Wiltshire Senior Cup by lower opposition, anything less than 100% will put the boys in a very precarious situation.

LAST TEAM SHEET vs WESTFIELDS (uhl Challenge Cup – Round 3)
Max CONNOR. Ben SPACKMAN, Jack COWARD, Kian McNALLY, Lewis THORNE, Joah HALL (1), Brooklyn LEIPUS, Ed TAYLOR, Alfie PRESLEY, Tino SHUMBA (1) and Ed OATLEY.

SUBS Miguel ALVES, George COOK, Harrison EDWARDS and Lewis WILLIAMS.

2026-27 STATISTICS

LEADING SCORER
Alfie PRESLEY – 5 goals from 16 games.

YELLOW CARDS
Jack COWARD – 6 from 12 games.

RED CARDS
Rubi HOPKINS and Alfie PRESLEY – 1 (each) from 8 and 16 games respectively.

THE HISTORY OF RWBT

Situated six miles from Swindon, Wootton Bassett Town Football Club was first established in 1882, making the club one of the oldest in Wiltshire. The club's early achievements came in the Wiltshire Senior Cup, making the final in both 1902-3 and 1903-4, although losing both. The club folded for a period pre-World War 1 before re-forming in the Calne & District League when it began playing at the Gerard Buxton Sports Ground which had been donated by a local dignitary for sporting activities within the town and opened in 1930.

Early successes included winning the Calne & District League in 1930-31, having finished runners-up the previous season, and then again in 1934-35. Following a move up to the Wiltshire League Division 2 promotion was earned again the following season and the team then remained in the top division in the county until the outbreak of war. After the war Wootton Bassett Town F.C. recommenced in the County League with limited success until 1958-59 when they won their first Wiltshire League title. In 1987-88 the Wiltshire League Division 1 title was won, elevating the club into the Hellenic League, where they have remained ever since. The club finally won the Wiltshire Senior Cup in 1998-99 and repeated this achievement in 2000-01. The club have had three spells in the Hellenic Premier and the current spell in the topflight commenced after gaining promotion back in 2012-13. The highest finish in the history of the club, was fourth spot in 2023-24, just missing out on promotion to the Southern League after losing to Cinderford Town in the play-off final.

Since the onset of the new millennium the club has expanded significantly, with the establishment of a thriving Youth Section, a very successful Ladies Section and a Veteran's Section. The club now operates 33 teams from under 7s upwards. All now play their games at the relocated Gerard Buxton Sports Ground, which opened in the summer of 2015 and with the Royal title now included within the name, Royal Wootton Bassett Town continues to thrive as a key part of the community. This growth led to the club being awarded Charter Standard Development Club status by the Football Association in 2008 before this was upgraded to Community Club status a year later, the first club in Wiltshire to achieve this. International ties have also been established with Dutch amateur side FC 's-Gravenzande who sides from the club's Youth Section visit each year.

In 2020-21 the club had good cup runs in both the FA Cup and the FA Vase, as well as the Hellenic League end of season cup competition. In the FA Cup the club equalled their best performance in the competition, reaching the 2nd Qualifying Round, losing narrowly to a late winner against National League South side Oxford City. The club also equalled their best showing in the FA Vase. In the Bluefin Insurance Cup competition, they safely progressed from the group stages and then won two knockout games to reach the semi-final but just fell short against eventual winners Kidlington, going down 2-1 in the semi. Whilst doing well in the cup competitions the side never really got going in the league. It was a similar story in 2021-22 with the best form again being shown in the cups with Royal Wootton Bassett Town reaching the 3rd Round of the FA Vase for the first time in the club's history, eventually losing a tight game to Hamworthy. 2022-23 saw Sam Collier in charge of the First Team for his fifth season with a new assistant in the shape of experienced striker Alan Griffin. It would prove to be a successful season with the team achieving their then highest ever position, finishing in fifth place in the Premier Division which was then exceeded the following season with that fourth-place finish and play-off final.

2024-25 saw the team again go close to making the play-offs, but they never really made up for a bad start to the season eventually finishing in seventh place.

The current season sees a new management team in place after Sam Collier stood down before taking a position at Fairford Town. Former player Jonny Aitkenhead is the new manager, his first managerial post, supported by Dan Atkin and another former player Rob Hopkins. With virtually all of last season's team departing, focus this season will be on youth with some excellent prospects signed in what should be an exciting season for the club.

STINGWRAY MEDIA

Good evening and welcome back to the Imagine Cruising Stadium for our first home cup game of the season and what a game to be able to host!

Typically, I will be working so we won't have any highlights on Supermarine TV, but we will of course have any goals up on our social media platforms for you to view as soon as the footage is uploaded.

Having an opportunity to play a club higher up the league is always a fantastic challenge and given it's a derby and at home – we're hoping for a big night under the lights!

Although Bassett are currently struggling in the league having undergone big changes in the Summer, they are still a quality side and a big name at our level and it should be a fantastic evening – make sure Wednesday November 11, is in your diary – we'd love to have you along to help create a great atmosphere!

On a club front – it was fantastic to see Chairman Jez Webb will be remaining with Supermarine for the next two seasons at least.

After announcing his intention of stepping down at the end of last season, circumstances have changed and in an official club announcement (on October 13) which also revealed First XI manager Bobby Wilkinson was also remaining for two more seasons, the pair have committed to the club which is great news for the stability and prospects for the future of the club as a whole.

That's it for another edition – enjoy the game and we'll be back for the Cheltenham Saracens game on the 21st – get behind the lads as they really do appreciate your support.

BACKHOUSE

Big moves as Reserves partner with Backhouse

Swindon Supermarine Reserves is delighted to confirm that innovative British housebuilders Backhouse, have become the official sponsors of our player Game Day warm-up tops for the 2026-27 and 2027-28 campaigns.

Speaking about the fantastic new deal, Reserve team Manager Matt Roberts said: *"We're absolutely delighted to have Backhouse on board as an official partner of Swindon Supermarine Reserves*.

"As a team, we're continuing to build on the success of the past two seasons, and having the support of a respected local company such as Backhouse is fantastic. Their sponsorship will play an important part in supporting the team as we continue our journey at Step 6 and we're really looking forward to building a strong partnership with them over the next two seasons."

The two-year deal will see Backhouse displayed on the rear of each players warm-up top which will be worn at every game throughout the season, along with advertising in our online home Game Day Magazine as well as one of our official partners on the new club website (which is being launched soon).

They will also have regular exposure on our social media platforms.

Backhouse was born out of a desire to establish an innovative British housebuilder that could deliver new homes of outstanding design quality which respond to the needs of today's contemporary lifestyles.

Founder Theo Backhouse believed that consumers had lacked choice in the new homes market for too long and that buyers deserve a better designed, sensibly priced, more interesting home providing smart living solutions.

Driven by a highly experienced and motivated team and backed by a significant investment from Cheyne Capital a leading European Alternative Investment Fund Manager, Backhouse is firmly focused on delivering housing schemes that they are proud of.

They work with the very best in architectural talent to produce liveable homes that reflect the way we live today, whilst offering a strong sense of place and community identity. They are passionate about creating places which are sympathetic to their location and respect the existing environment.

Backhouse specialises in medium sized developments across the South of England from its office near Chippenham and their focus on design, build quality and detail give a Backhouse home the space, light and flexible living opportunities that re-define what a new home looks and feels like.

They are committed to giving home buyers more choice and producing the very best in new homes. Swindon Supermarine and Backhouse share a commitment to our local community and we thank them for their amazing support and we're excited to be partnering with them for the next two seasons.

If you're looking for a new house in the region or if you just want to find out more about Backhouse, you can visit their website at **backhousehousing.com**, or contact them by filling out the contact form on their website or call their friendly sales team on **01225 614 970** today!

CRIBBS WITHDRAW FROM PREMIER LEAGUE

Monday evening (09.11.26) saw the surprising news that Premier League side Cribbs had confirmed they had withdrawn from the Hellenic Football League with the League commenting: *"This will not have been a decision taken lightly, and we recognise the difficult circumstances that can lead to such a decision.*

"We would like to place on record our thanks to everyone at Cribbs for their involvement in the League and wish the club, its players, officials, volunteers and supporters all the very best for the future.

"We sincerely hope the club can rebuild, return stronger and, one day, find its way back into the Hellenic League."

An official club announcement stated: *"Following careful consideration and a thorough review of the available options, the club's officers have made the difficult decision to withdraw our 1st XI from the Uhlsport Hellenic League with immediate effect.*

"Although this decision is deeply disappointing, our priority remains the club's long-term sustainability and the continued provision of football for our members.

"We sincerely thank everyone who has represented the club during this challenging period, particularly our team management, players and volunteers for their commitment in difficult circumstances. We also thank the Hellenic League, Gloucestershire Football Association and Football Association for their guidance, assistance and understanding over the past nine months.

"The club will continue in the immediate future through our Reserve, Veteran and Under-18s teams. We will provide further updates as we work with the football authorities to determine the club's future pathway."
