

Privacy Policy – The Ivies App

Last updated: 14 September 2026

Ivybridge Town Football Club (“we”, “us” or “the Club”) operates The Ivies mobile application.

We respect the privacy of users of The Ivies app and are committed to handling information responsibly.

Information we collect

The public areas of The Ivies app do not require users to create an account or provide personal information.

The app provides information relating to Ivybridge Town Football Club, including fixtures, results, league tables, squad information, club news, match information and sponsors.

Certain administrative functionality is restricted to authorised club personnel. Authentication information used to access these administrative functions is processed securely through our authentication service and is not available to ordinary app users.

How information is used

Any information processed through the app is used solely for the operation, administration and security of The Ivies app and its associated services.

We do not sell users’ personal information.

Third-party services

The app uses third-party technology and hosting services, including Supabase, to provide database, authentication and related functionality. These providers may process technical information necessary to provide their services.

The app may also contain links to external websites operated by Ivybridge Town Football Club, sponsors or other organisations. Their own privacy policies apply when you visit those websites.

Children

The Ivies is a general football club information app and does not knowingly collect personal information from children through its public features.

Data security

We take reasonable measures to protect information associated with the operation of the app from unauthorised access, alteration or disclosure.

Changes to this policy

We may update this Privacy Policy from time to time. Any changes will be published on this page with an updated revision date.
