It's not only on the pitch where the club is making great strides.

The Clubhouse here at Langland Stadium recently hosted its first private function since our latest phase of improvement works were complete.

This summer has seen a new, modern multi-purpose ceiling installed, along with bi-fold doors, which lead out to a larger terrace area that faces the pitch and offers an extra hospitality space.

These ongoing developments mean that The Clubhouse is quickly becoming the venue of choice for special occasions, corporate and community events within the local area.

It's a modern and spacious facility that we are extremely proud of, with a fully licensed bar, access to large TV screens, professional catering and DJ available, air-conditioning and ample free car parking in our recently-enhanced parking area.

We know how much your event means to you.

Events Manager, Jo, and her team are on hand to ensure things run smoothly, but don't just take our word for it.

Here is some feedback from our latest event:

"We recently held my partner's 30th birthday party at The Clubhouse at Malvern Town FC and couldn't have been happier with how everything turned out.
"The team took care of everything for us, including organising all the bar staff, and the venue was completely transformed and dressed perfectly for the party.
"The new lighting fitted into the ceiling looked absolutely amazing and really changed the whole atmosphere of the room.
"The DJ was brilliant and kept everyone entertained throughout the night, and there was plenty of private parking available, which made things really easy considering we had around 100 guests attending.
"The whole evening ran smoothly from start to finish and everyone had a fantastic time. I'd definitely recommend The Clubhouse at Malvern Town FC to anyone looking for a venue for a birthday, party or other large celebration.
"Thanks to everyone involved for making the night such a success!" – CH.
