We warmly welcome all supporters, staff and players of Daisy Hill to The Riverside.

After a few of weeks away, we return to
The Riverside to face off against Daisy Hill.

A lot has happened down here since we
last welcomed you down. The herculean
effort from the amazing volunteers and
builders have got the work finished in
record time. Tom and Sam's enthusiasm is
infectious and will help all the clubs
improve and expand our operations. We
hope you enjoy exploring the new
clubhouse and wish them the best of luck.

Food today is on sale from Cheek &
Tongue, you can learn more about them in
this issue.

Daisy Hill fell to a narrow 1-0 defeat
against Maine Road on Monday. They sit 6
points and 5 places ahead of us in the
league.

You can read about our win against AFC
Blackpool in the midweek in this
programme.

Enjoy today's game.

The Manager

Good Afternoon,

It's brilliant to be back at The Riverside for today's game.

Saturday last week was not good enough. We were so far off it and did not work hard enough.

However, compared to Wednesday's against AFC Blackpool, it was chalk and cheese. We worked incredibly hard from minute one to the end. The chances we took paid off and I was impressed with the way we then defended that.

Daisy Hill will be looking to bounce back from their defeat on Monday. We will have to bring that same work ethic and desire to the match.

It was amazing to go to one of the soft openings of the new clubhouse this week. I know Tom and Sam well, they will be brilliant for the future of all clubs and I can't wait to see you all in there enjoying it each week!

Enjoy the game!

Best wishes, Guy

Guy Heffernan

Ian Simpson wins August 'Score' Lottery

The August winner in the Garstang FC monthly "Score Draw" Lottery was Ian Simpson.

Ian was gobsmacked when I visited him as I told him on the phone that he had won a bit of money!

He couldn't believe it when I presented the £1000 cheque to him and he kept checking it to see if it was real!

Ian and Jean plan to have a nice weekend break with all the trimmings to celebrate their good fortune.

MEET THE HOSTS

History

Garstang Football Club was formed in 1885 and documented records show that, in 1927, the club won the Guildhall Cup as a member of the Preston and District League.

In the mid-sixties both the First and Reserve Teams moved from "The Beeches" to the club's current home of "The Riverside". At the time of this move the club continued to be a proud member of the Preston and District League. After much soul searching and debate during the summer of 1994 the club made the decision to advance and two steps into the West Lancashire League.

Garstang made steady progress in the early years and then, under the guidance of manager Keith Brindle, the first team reached the Lancashire Amateur Shield final for two years in succession. The first final during the 1998/99 season, saw the team suffer defeat at the hands of Fulwood. However, the following year the club bounced back and secured the trophy with a victory over favourites Stand Athletic.

In the 1999/00 season, Garstang secured the President's Cup with a thrilling sudden death penalty shootout victory, and they also achieved promotion to the West Lancashire Premier Division as runners up. There followed a few ups and downs until the 2007/08 season saw the Reserve Team secure the Reserve Division Two title under the guidance of Paul Bailey. The First Team were also involved in a thrilling title battle that went down to the last game of the season and in front of over 250 of their own fans, the team secured the three points needed to win the Premier Division title.

Adrian Wilding returned as Chairman and off the field plans were put in place to improve the facilities as the club, a major part being the "Score" lottery instigated by Les Taylor. An Under 18 team was formed with the ambition to nurture our own talent and this is now starting to pay dividends. The club recorded their first ever Reserve Division 1 title again under the leadership of Paul Bail and further silverware was won in the 2017/18 season which proved to be a historic one for the club. Former players from the 2008 Championship winning side Lee Baker and Neil Beesley were now in charge and the First team won the West Lancs Premier League and Cup double. In the same season the club was also runners up in The Lancashire Shield whilst the reserves under the stewardship of Hugh Sneddon and Joe Miller also did the double. After much hard work it was confirmed, we had been accepted into The Hallmark Security League and the beginning of a new chapter for Garstang Football.

The club started its first season in the Hallmark Security league Division 1 North in Season 2018/19 and a long campaign saw the club secure a highly creditable 7th place finish and the team had excellent cup runs in 3 competitions including the Buildbase FA vase. During the season the club had its highest home attendance against local rivals Longridge Town with 352 spectators watching. Lee Baker left the club at the end of that season and was replaced by Richard Cookney who did an excellent job consolidating the club's position within the league. After a number of Covid interrupted seasons Cookney left the club in November 2021 and following an interim role as Caretaker Manager, Zach Clark was appointed Player Manager.

Season 22/23 was a real Jekyll and Hyde season with the team either on a long run of wins or a long run of defeats. The team was decimated with injuries and the club has never had to contend with so many injuries in one season. This hampered the manager in being able to select a regular line up. The injury situation improved just in time towards the very end of the season, as the club secured 2 consecutive wins to close out the season and finish two places above the bottom three.

In September 2023, Zach Clark chose to leave the club to concentrate on playing and after a recruitment process Darrell Slater-Smith was appointed to the First Team manager's role following a successful spell running the Second Team.

After a very difficult season Darrell, left the club in May and was replaced by Guy Heffernan, who brings with him a management team of proven operators at this level as the club. The club had another difficult season for the 24/25 season, but this was a year of rebuilding, before hoping to push on this season.

MEET THE VISITORS

History

Situated one and a half miles south of Westhoughton town centre, four miles from Bolton and five miles from the Toughsheet Stadium, home of Bolton Wanderers, the village of Daisy Hill first saw football in season 1894-95 although it is possible that football was being played in the area for some years prior to that date. The first known honours for the club came in 1896-97 when the Wigan and District League Championship and the Westhoughton Cup were won without losing a match. The location of the club's ground in those days is unknown but the present ground was used during the First World War period when the club played in the Leigh and District Senior Sunday School League. The club then joined the Westhoughton League, and during the 1920's and 1930's won many honours in what was one of the strongest local leagues at the time. Little is known of the period leading up to the second world war, but by 1951 the club was back playing in the Westhoughton League, on the St. James Street Recreation Ground/Cricket Ground, until the landowner made an offer to the club to return to the current site at New Sirs in 1957. The acquisition of the lease was a major step forward and gave aspiration to move into the Bolton Combination and develop into one of the most formidable clubs in the area. Dressing rooms were erected at the ground for the start of the 1968/69 season whilst on the field the club won the Bolton Combination Premier Division on four occasions, the Bolton Combination Cup on four occasions and the Lancashire Amateur Shield twice during the 60's and 70's. In 1978 the Club was accepted into the Lancashire Football Combination and with the advent of the NonLeague football pyramid and the subsequent amalgamation of the Lancashire Football Combination and the Cheshire County League the Club became a founder member of the North West Counties League giving them the opportunity to play in and bring national competition to the village. With the National League System requiring clubs to meet new standards for facilities, new dressing rooms and a clubhouse for social activities were erected at New Sirs in 1982. Since then improvement of the club's facilities has been ongoing and for the 2005-2006 season a floodlighting system was installed, which allowed the club to remain in the National League System and return to National and County competitions. The club also has a thriving Under 17s squad, playing in the Bolton, Bury and District Junior Football League. Notable players include: Dick Pollard and Billy Farrimond, both of whom went on to play cricket for Lancashire and England, Alf Watkinson, grandfather of the former Lancashire Cricket Club Captain Mike Watkinson went on to sign for Blackpool. (Mike himself played a handful of games for the club). Sam Marsh (Bolton Wanderers and Bury), Alf Gray (Torquay United and Lincoln City), Greg Strong (Bolton Wanderers and Motherwell) and Danny Williams (Inverness Caledonian Thistle) began their careers in senior or junior football at Daisy Hill Football Club. Other notable people / sportspersons born in Westhoughton who may or may not have been associated with the club: Ethel Johnson (Great Britain Olympic Athlete), Joe Bromilow (American Olympic Athlete), Jack Bruton (Blackburn Rover, Burnley, Bournemouth and England). Joe Clare (Accrington Stanley, Norwich City and Lincoln City). Tommy Woodward (Bolton Wanderers and Middlesbrough), Francis Lee (Bolton Wanderers, Manchester City, Derby County and England) and Robert Shaw (Actor).

JUNIORS

Garstang Junior Football Club were established in 2023, the first time for a long period that there had been junior football provision in the town of Garstang itself. The club has gone from strength to strength in a short space of time, with now 10 teams from u6 to u14. The club were named Sports Team of the year in 2024 by Garstang Town Council for their work. Alongside their five boys teams, they are key in developing girls' football locally, with 5 girls' teams.

After a couple years of brilliant development under the leadership of Warren Salisbury, Nickie Gaunt and Grant Calder, the Juniors joined our club, becoming Garstang FC Juniors in October 2025, with Neil Beesley joining the others to drive forward the merger.

Their teams play at pitches across the town, including Nateby Primary School, St. Mary and St. Michael's Primay School, Garstang Community Academy and Garstang Community Primary School.

More information on the Juniors will be coming as the year progresses, so keep updated by following their social media pages.

JUNIOR NEWS

BLACKHAWKS

What a match to watch last week as the Blackhawks took on the Autumn Cup Final!

After a shaky start, the team came out brilliantly in the second half, showing fantastic energy, determination and teamwork. They worked so hard and gave it their all right until the final whistle.

We're incredibly proud of every single player. Finishing runners-up in the Autumn Cup is a fantastic achievement, and we know this team is only going from strength to strength!

Congratulations to Westgate Wanderers.

A massive thank you to Mark, Andy and Ben for all your support. It's hugely appreciated!

Be proud, Blackhawks!

MATCH REVIEW

**AFC
BLACKPOOL**

0-2 GARSTANG FC

Match Report

Following on from a very disappointing performance on Saturday away at Ashton Town, we made the short journey to face AFC Blackpool. The side had beaten fellow strugglers Uppermill 4-1 at the weekend so would be looking to follow it up against us.

A few changes were made. Owen, Mercer and Hancox came in at the back for Mather, Webster and Robert. Bajraliu returned for Chambers.

We started well with an attempt for Carrington saved well along with the rebound. Soon after, Blackpool were awarded a penalty. It was sent straight down the middle and Lawton saved with his feet.

A corner from Entwistle was met by Edwards but blocked. The rebound went over the bar. Moments later, an identical routine was deployed with Entwistle hitting the ball to Edwards who this time headed it in through the bodies to give us the lead.

Seven minutes later, a long throw came into the box, was headed down, then Entwistle did really well to hold off a defender then smash it into the back of the net to double the advantage. Bajraliu then hit the bar.

It was an excellent first half performance, but we had a lot to do in the second half to see it over the line.

HALF TIME: AFC BLACKPOOL 0-2 GARSTANG FC

In the second half, chances were few and far between for both sides.

Our defence worked as a solid unit for the last 45 minutes, preventing them from breaking through at all. We outran and out worked them, showing how we can break teams down through effort and togetherness. Saturday's match against Daisy Hill be a different test.

FULL TIME: AFC BLACKPOOL 0-2 GARSTANG FC

VACANCY

First Team Matchday Coordinator

We are looking for a volunteer First Team Matchday Coordinator to lead our operations.

This would involve:

- Arranging pitch inspections when required
- Posting polls in our volunteer group to determine who is available
- Ensuring all essential responsibilities are fulfilled
- Arranging payment of the referee and sorting floats

Media Assistance

With our current Head of Media missing for large parts of next season due to university, we are looking to welcome someone onboard to run our social media accounts.

Role would include:

Providing match day updates for First Team games

Writing match reports

Conducting post-interviews

Promoting our sponsors

Working with all members of the club to advertise events and write content

Ideally, the candidate would have some experience of managing social media accounts and graphic design, however this is not a necessity.

If you are interested in this role, please contact Head of Media, Ryan Armstrong, via email at garstangfc3@gmail.com.

WALKING FOOTBALL

Garstang FC Walking Football was founded in 2020 by Dave Graham, Phil Moore, Dave Thornhill and Ian Blundell following the COVID-19 lockdowns. The aim was to encourage exercise and socialisation, with the board enthusiastically getting behind the idea, assisting with the affiliation and insurance requirements needed to get it off the ground.

Since then, we have gone from strength to strength, with nearly 100 members over all the age groups. Over the few years we've been active, we've won many awards and trophies and more recently have founded a Women's Section.

The team plays at Garstang Academy and has already played in national cup matches at both over 50s, 60s and 65s.

But the key factor is fun, as we have players of all abilities and playing brings many health benefits, and Garstang's oldest players are in their 80s and give many of the over 50s a few footballing lessons.

Sessions take place twice weekly at the Garstang Academy

- Saturday: 9.30am-10.30am (men and women)
- Monday: women (7-8pm) and men (8-9pm)
- Sessions are pay per play at £3 each session, with the first at £10 as you'll get the famed blue/yellow bib!

MATCH REVIEW

GARSTANG 3-3 CHARNOCK RESERVES RESERVES

Match Report

Garstang Reserves travelled to Standish on Saturday afternoon, with the weather unable to make its mind up as rain, sunshine and strong winds all made an appearance throughout the game.

The match started at a frantic pace, with the home side putting Garstang under pressure from the opening whistle. Standish were awarded an early corner, which flew directly into the net to give the hosts the lead. They doubled their advantage shortly afterwards, leaving Garstang with an uphill battle.

Garstang gradually began to find their feet, producing some good football down the left-hand side and looking to work their way back into the contest. However, Standish struck twice more in quick succession to extend their lead to 4–0. Despite the difficult start, Garstang continued to battle and were rewarded before half-time. A fantastic through ball found Joe, who was brought down by the Standish goalkeeper inside the area. Luke Williams stepped up and confidently converted the resulting penalty to give the visitors a lifeline heading into the break.

Half-time: Standish 4–1 Garstang

Garstang came out for the second half with renewed determination and wasted little time in reducing the deficit. Tom Whiteside found the net with a neat finish shortly after the restart to make it 4–2. The visitors continued to push forward, with some excellent work from Sam and Joe resulting in another penalty. Luke Williams stepped up once again, and although his initial effort was saved by the goalkeeper, he reacted quickest to convert the rebound and bring Garstang within one goal.

With momentum now firmly on their side, Garstang completed a remarkable comeback when Alfie Strawn produced another fine finish to level the scores at 4–4.

Having battled back from four goals down, Garstang weren't content with just a point and continued to search for a winner. Several opportunities came their way in the closing stages, but they were unable to find the finishing touch.

Match Report: Oscar Panepinto

Post-Match Reaction

"Today was certainly a game for the wind. I've honestly never seen anything like it. Firstly, I'm absolutely delighted for the lads to come back from 4-0 down and get something out of the game. Our first-half performance was poor, there's no hiding away from that, and I think the lads knew it themselves. But the second half was top class. We battled for everything, showed real desire and put absolutely everything into getting back into the game. Once again, it shows the mentality and resilience we've got within this group. To be four goals down and come away with a point takes some character, and the lads deserve a lot of credit for that. Of course, we can't keep putting ourselves in these positions, but the fight and determination shown in that second half is exactly what I want to see from my team.."
