COLNEY HEATH V COCKFOSTERS

SPARTAN SOUTH MIDLAND LEAGUE – PREMIER DIVISION

SATURDAY 11TH APRIL 2026 Kick-off 3.00PM

Welcome to the Recreation Ground.

As this is our last home game of the season I hope we have a huge crowd to welcome our visitors this afternoon who are our old foes from our County League days.

Would you believe they are FA Vase finalists and still chasing promotion.

I wonder what they really want.?

We hope their players, officials visiting today, and supporters enjoy the stay.

A special welcome back to any former players Jay (I've been shot) Lovell, and their management team also shows Ant Burns Tommy Burns Phil Lovell and Glenn Draper, welcome to them also.

Last seasons results against the Cocks were good but our visit to Chalk Lane left a bit to be desired.

We welcome also todays match officials and we extend our hospitality to them all, and hope they will join us after the game for a beer before having a safe journey home.

BINGO NIGHT

Welcome to the Recreation Ground for our final home fixture of the 2025/26 season, and another compelling campaign in the Spartan League. Today, we are pleased to welcome old friends from Cockfosters FC.

Congratulations are due to our visitors, who have progressed all the way to the FA Vase Final at Wembley on 17th May. This is a tremendous achievement and not to be understated. As near neighbours, friends, and familiar faces, we wish them every success on the day.

Our own season has been an enjoyable journey of development. Firmly established in mid-table in the first full season under the management of the two Pauls, the team has demonstrated consistency and resilience throughout. Only the top seven sides in the division have conceded fewer goals than the Magpies, and this defensive strength has underpinned some excellent results away at Biggleswade, Kings Langley, Wormley, and Arlesey.

If there is one area for improvement, it is in front of goal, with only two teams scoring fewer in the Premier Division. However, this is a young side that continues to grow and improve, and our supporters have rightly appreciated the passing football and commitment shown week in, week out.

The spirit within the squad is excellent, and the Pauls will be encouraged by the prospect of building on this foundation going into the 2026/27 season with a largely settled group. Finishing the season stronger than we began is a clear sign of progress. At a time when some clubs in our division have faced significant financial challenges, it is especially pleasing to see two honest and ambitious teams take the field here today.

To our supporters – thank you for your unwavering support, patience, and generosity of spirit. My thanks also go to our

management teams and coaches for their dedication, and to our committee members and volunteers who work tirelessly to make matchdays possible. A football club is built on the passion and integrity of its people, and that is something we can all take pride in today.

Enjoy the game.

Up The Heath!

How to win a few quid back

The job of raising funds continues. He's back, Help our Terry Out.

We have to find money for refs, Kit, hospitality, physio and first aid, washing etc. You name it we have to pay it.

Thank you to all our major sponsors but the 'bread and butter' of the pounds here and there and the odd 'fiver and tenner' are a must if we want to make progress.

Also again for you this year is the 50/50 where we for example collect £100 and one lucky winner wins £50.

SOME OF LAST SEASONS WINNERS AND THIS

In addition there will always be a scratchcard on the go somewhere

Take Your Pick : £ 250

This has been running now for a while and in its 30th year has made over £75,600 for the club and is one not to be missed.

Some big prizes can be won here. If the jackpot is not won, additional prize money is added week by week until it is won or until it reaches the magic '£1K' It has now reached that amount three times!

Over £79,750 has also been given out in prizes over the years. Winning amounts are regularly in hundreds. 21+ prizes in excess of **£600** have been won and the **£1000, THREE TIMES NOW**

This too is easy, £1 a strip and the draw takes place on Monday evening, normally at about 6.00pm.

Don't worry that you are not there for the draw, all tickets have the name of the purchaser written on the back when you buy your ticket. Someone each week will win at least **£25**

To have a go, buy a ticket from a Committee member or behind the bar any day of the week or at the weekend after the game. You will be asked for £1, your name and a number between 1 and 10. Should your name get drawn on the Monday there will be ten independently sealed envelopes bearing the numbers 1 thru to 10.

Nine of these will have £25 in them the other the 'Star Prize'.

The next draw will take place on 13th April 2026

for **£ 250** and is well worth a £1 or fiver.

Last week's winner **£ Miles Milton**

Why not see if you can get your name on this page also.

COLNEY HEATH FOOTBALL CLUB . . . A Brief History

The "Magpies" were founded in 1907 and played their early football in the Hatfield District League and, after the 1st World War, joined the Mid Herts League, where the 3rd team played until recently. Earlier records indicate the winning of a Harcourt Cup but it is believed that this was Junior football some 18 months earlier, 1905-6.

Earlier matches were played on two grounds in Coursers Road (the Meadow and the Warren).

Success was a long time coming - 1935-36, and was disrupted by the 2nd World War. The golden era of football came from 1946 through to 1960 when the club won the Mid Herts Benevolent Shield twice, the Bingham Cox Cup, Division 1 and Premier Division titles.

In 1952 the switch was made from Fuzzen Field to the Recreation Ground and into the Herts County League. Division Two was won at the first attempt and success continued with two Playing Fields Cups, the Aubrey Cup twice, Division 1 and Premier titles. This culminated over the Easter weekend in 1960 with the Herts Intermediate Cup and Aubrey Cup double. The Reserve side also completed a double in 1958 winning both Cup and League.

In 1965-66, 1968-69 and 1975-76 saw relegations and a slip down to Division 3. Promotions in 1979-80, 1983-84 and 1985-86 saw a return to the Premier Division after a 20 year gap only to be relegated back immediately.

Odd trophies were picked up in the 60's 70's and 80's but these were pretty barren years on the field.

In August 1988 while modernising the building, the club burnt down. Without a clubhouse, the Magpies, playing from a Portacabin, regained entry to the Premier Division winning the Division 1 title.

A new clubhouse was built in 1989 and an extension added in 1993, along with post and rails. Floodlights were erected in February 2000.

South Midlands football eluded the club with 3rd, 3rd, 4th, 4th finishes from 1994 - 1998, when second place would have been enough. Centenary Trophies back to back and another Aubrey Cup were won but the Herts County title only came in 1999/2000. The club's ambition was to gain Premier Division status and with it FA Cup entry. Finishes of 5th 3rd 5th 6th and 5th were not enough in the initial seasons, despite numerous semi-final appearances and consecutive Charity Cup successes in season .(2001/2 and 2002/3) The South Midland Reserve Challenge trophy was collected in 2004/5. The First Division title eventually came in 2005/6. With this came the Premier Division and the FA Cup. We had 15 happy seasons and steadily improving picking up the Premier Division Cup in 2010/11 with a 2-0 win against Leverstock Green. Our FA Vase run of 2013/14 saw us to a 3rd round replay which we followed up by being thrown out of the competition in 2014/15 which was a troubled season with many managerial changes. Our last few seasons have continued with changes for the better with Ryan 'Tomo' Thompson installing a togetherness across the club and an FA Cup run that may take some beating in future years and the little reward of second and third Charity Shield wins in 2017-18 and 2018-19. Our aim of promotion was achieved by a FA restructure with the appropriate fencing and turnstiles for step 4. We only stayed one year being relegated back to the SSML. With the support of local authorities and sponsors we hope to continue to make the small village proud for many years to come.

THE MANAGERS AND THE PLAYERS

As with all clubs, the Heath - or the Magpies - as they are more commonly known now, had its own breed of characters throughout the years. The pre war sides, would have been drawn from entirely local players. Sides would have featured an Allen, a Franklin, or a Littlechild. In recent times a Whitehead or an Eames. The most well known club man of yesteryear was the

manager around the War Years who later went on to hold positions in The County League and Herts FA whom he served for many loyal years. This was Jesse Saywell.

In the olden days it was eleven players and the manager, where a Committee picked the side. Assisting off the field were Messrs Pickett, Archer, Kiff and Costain. C S Kiff 'Charlie' later became Secretary of the club and the Mid Herts League producing the League Centenary brochure in 1993. Players of this time included Roy Turner who went on to Barnet and Jimmy Whiting and Dickie Last who went on to St Albans, then both top amateur sides in the County. Last and Whiting both returned in the 70's. They helped to win the trophies of the 50's. Many players of the sixties were drawn away to the emerging London Colney and latterly Selby but had their roots and early times for the Magpies of this period. The foes of these years were North Mymms, Redbourn, Markyate and of course London Colney.

During the emergence of Sunday 'factory' football of the sixties the club slipped down the reconstituted County League. Con Patient had a few years at the helm where he had an up and coming star in Ian 'Grumpy' Whitehead. Grumpy went on to captain both St Albans and Stevenage and later returned to manage for a year in the early 90's.

Geoff Blundell along with Jim Eames dragged the sides along after this with the assistance for a short period (6 games) of Ronnie Dukes. He was the famous City manager at the time of the Torquay United FA Cup tie. Torquay complained that they had no soap, so Ronnie took a case along for the replay.

Malcolm Waller a centre forward under Geoff Blundell had a spell leading the side of mainly Hatfield boys during the 80's. Geoff did provide us with the 'legend' who served us well before departing to play for and later manage Hertford. 'Lege is of course Dave Whitehead. Dave scored over 200 goals for Hertford before moving to Potters Bar and then back home, where he continued to score goals until breaking a leg in 2002.. Tony Draper then had a spell before the most successful side of the late 80's was managed by Ian Yule, who plucked stars from all over the place. He was a successful Sunday League manager but still ended getting the sack after failing to produce the goods with his aging all-stars in the Premier Division of the County League.

Laird Budge (Spurs kit man) and Dave Lawrence ex City and Bishops Stortford skipper in their Trophy days had a spell before the club turned to ex Watford Coventry and Irish International, Pat Morrissey. Pat's first job was to save the club from relegation. He kept the side up on a goal difference of one goal on the last day of the season back in 1993, at then Champions Sandridge, after being 15 points adrift at Xmas after taking over from Frank Patrick. Pat was unable to fulfil the promotion dream but did bring Cup success with Centenary Trophies and a Charity Cup. 'Grumpy' had a year then Pat returned from Hemel leaving us with 'Shag' Jeggo. Pat is sadly no longer with us. Darren, to give (Shag) his correct name did not really possess stars, other than Welsh International Malcolm Allen and a talented group of Stevenage Trainees, but kept us there or thereabouts in a plan to get us further up the ladder, both on and off the field. He introduced the club to 'Sven' O'Veil and since then between them the Aubrey Cup and the Championship, along with successful youth teams have provided us with what you have today. Geoff, like Pat gave us Cup successes and got us very close to the position we felt we ought to be in but handed the reins to Craig 'Jonno' Johnstone to pursue the grail.

Craig almost single handedly fulfilled this dream in 2005/6 after an amazing unbeaten run of 18 league games (including 14 straight wins at the start of the season) that carried us to our first Senior South Midlands title. The title winning season saw us score 106 league goals conceding only 27, with 26 wins, 3 draws and 3 defeats.

Going into our second Centenary having come a long, long way. The FA Vase was a regular feature; we had improved our league position to a best ever 3rd in 2013/14. We also won the Premier Cup in 2011. The managerial pair of ex-Magpie players, Scott Lacey (102 club goals)

and Wesley Awad called it a day and we hoped to continue the pattern with Kevin Cooper and Glenn Draper. However despite their best efforts and an indifferent start we had to turn to the experienced local ex-pro Gary Phillips. In the past he had donned the gloves for Barnet before managing at Aylesbury, Hemel Hempstead and Grays before taking time out to refresh himself at the Rec. After a few months the 'professional lure' of a coaching position at League 2 Stevenage proved too much for him (and latterly Crystal Palace) and so we found ourselves with a Parry / Beels combo. Glen played over 250 games for Cheshunt before a caretaker spell gave him the whiff of a managers office and Mark was a former number one at Broxbourne Borough who actually won a Challenge Trophy success at Colney Heath over London Colney in 2010.

This didn't last long for personal reasons!

Wes returned with Matt Chalkley a year later to give our best finish and another first. A Herts Charity Shield with a 2-1 win at Letchworth against St Margaretsbury.

The 2014/5 season was a bit of a nightmare. Great expectations ended with 4 managers and expulsion from the FAVase (and subsequently the following two FA Cup entries) but a creditable runners up spot in the Premier Cup where we lost on penalties to Berkhamsted. The search for managers led us to a loss of an entire team twice in a season and the ones who did remain loyal went at the start of the following season. A new management team headed by Steve Rolfe with a new team then struggled to come to terms with the rigours of step 5 football. We saw the experience of Micky Nathan added and we stayed up on the last day of the season ironically at Broxbourne. 20th was our lowest table position. So onward and upward we were back in the Vase for 2016-17.

Micky was retained as manager with support from Mark Royal and Pete Waller and like previous generations wanted to make his mark but at the end of November 2016 he was relieved of his duties after a series of heavy defeats and replaced by Ryan 'Tomo' Thompson with assistance from Tony 'Kavs' Kavanagh.

This change saw us stay up in 18th place and the hope of continuing forward. A 10th place finish followed and was climaxed by a return to the FA Cup and a best ever FA Cup performance going out in a 2nd Qualifying Round Replay at Burgess Hill Town after wins against Tring Athletic, Shortwood United and Cockfosters. The seasons highlight was the addition of our second Charity Shield with a win over Welwyn Garden City at Hemel Hempstead by 2-0. With the fruit of the under 18's being pushed forward and the re-establishing of the Reserves in the County League Premier Division it is believed we can go on to a brighter future as we forward. In 2018-19 a finish coming 6th and an unbeaten 11 match run culminating with the retention of the Herts Charity Shield with a 1-0 win over Berkhamsted. We took that run forward to see where it led.

That run was indeed taken forward with an undefeated run of seven league wins at the start of the 2019-20 season and it continued in an amazing undefeated run of home games which stretched to over a year. Games in hand over Tring Athletic were caught up and with continuing success in both the Premier Division Cup and the Herts Charity Shield we looked forward to the possible of a treble. The Leagues top scorer Jon Clements along with the League's meanest defence were a possible 11 games from history. A Semi Final against Leighton Town (with the winners playing either Leverstock Green or Newport Pagnell Town) in the Premier Cup was up for grabs and we were already waiting for London Colney to play Ware Town in the Herts Charity Shield Final. We did become only the second side ever to reach three consecutive

finals. Cheshunt did back in the mid 1950's, but only won one out of three. That brings us back to the Spartan South Midland League Premier Division. Team of the month twice, top discipline side three times and top overall, top of the league for four months with a 6 point league and a game in hand and the world is hit by the worst pandemic for over 100 years. As at the time of writing, over 4 million people had died worldwide from Covid 19 Coronavirus, (nearly 130,000) from the UK including the SSML secretary, Mike Appleby. What is clear is that people and health is more important than football but I can only write with the respect of the history of Colney Heath Football Club.

The decision to null and void the seasons 2019-20 and 2020-21 and at a very late stage use points per game (ppg) over the two seasons and a restructure at all levels of the non league pyramid enabled us to be promoted to Step 4.

The Southern League Central Division One in 2021-22. Proved a step to soon. Relegated back to the Spartan League but it was closer than it appears. We were also bundled out of the FA Trophy.so its back to the Vase.

Ryan Thompson packed up a month too late maybe not quite giving Ant Burns enough time to turn it around.

A poor start to 2022-23 saw Ant replaced by George Georgiou.

This however, despite staying up on the last game of the season was not what we had been promised. For Season 2023-24 we turned to Matt Day (a former Under 23 manager under Tommo) along with assistance from Sandridge' Tommy Burns. There first effort was very good a creditable 7th just a few points outside the play-offs . The ladies had a good season gaining promotion to their highest level winning the league and cup double.

However, things became stale and although the ladies had another creditable season (3rd on goal diff) the men did not flourish. The managerial pairing of both the Pauls from the Under 18's and the Under 23's seemed a logical way to go after both had good seasons with their respective sides. So onward with our backing behind them here's to O'Hare and Small or Small and O'Hare.

With the accumulation of London Colney Colts into our Youth set up everything is set for a flourishing season all round. Fingers crossed.

We are now well out mask time and it is still hoped that when the Saywell's, Kiff's, 'silver fox' Morrissey, Shag Jeggo and the numerous Littlechild's look down on us they approve of what they started and what continues today. After all, it's still only a game!

Cockfosters FC History:

The EARLY YEARS: The Club was originally formed as Cockfosters Athletic in 1921 by local residents and the ground allocated to the Club by Lady Bevan, from her family estate.

Season 1938/39 saw first of two “trebles” in the Club’s history, winning the Wood Green League’s Premier Division, League Cup and the Barnet Cup. After the war the 1st Team moved to the strong local league of that time - the Northern Suburban Intermediate, whilst the Reserves played in the Wood Green, Southgate & District League.

The 1960s saw a re-awakening of the Club. 1960/61: 1st Team win Northern Suburban League’s 1st Division and the next campaign win Premier Division. Barnet Cup and the Barnet Charity Cup finals were reached regularly with both trophies being won on a couple of occasions.

The 1970s: This decade was one of the most successful in the Club’s history. 1970/71: 1st Team win London FA Intermediate Cup and finalists in Herts County League’s Aubrey

1978/79: 1st Team win ‘treble’ of HC League Premier Division, Aubrey Cup and Herts FA Intermediate Cup; ‘A’ Team win the NSI Lge.

The 1980s:

1980/81: Former Barnet FC player Jeff Voyce appointed 1st Team Manager and the side claim their second Premier Division title.

1983/84: Colin Bell takes over as Manager and 1st Team win HSCL Premier Division for a third time. Colin decides to resign at the end of the campaign

1984/85: Former Arsenal player Glyn MacDonald appointed as 1st Team Manager. Team win the HSCL’s Aubrey Cup and are Premier Division Runners-up.

1989/90: 1st Team win London FA Intermediate Cup.

The 1990s: 1990/91 sees the Club gain “Senior Status” the 1st Team leave for the London Spartan League Premier Division, bringing an end of 25 seasons of membership in the Herts Senior County League - all, but the first having been in the top flight - a period that saw the 1st Team as Premier Division Champions 3 times, London FA Intermediate Cup winners twice, the Herts FA Intermediate Cup winners once and finalists on 3 other occasions, HSCL Aubrey Cup winners twice and finalists twice.

2000 to Present Day: Youth football was re-introduced to the Club starting with an Under 18 side and later teams at Under 13 and Under 15 age groups.
2002/03: The Club introduce an Under 18 Youth side managed by Paul Boxer and competing in the Southern Counties Floodlit Youth League.
2007/08: With the elevation into the Spartan South Midlands League's Premier Division the Club accepted into the FA Challenge Cup for the first time in their history.

2013/14: The season proved to be another successful one, with a very creditable 8th place & both the SSML's Challenge Trophy and the South Midlands Floodlight (Senior) Cup won.

The Under 18s, managed by Paul Boxer and assisted by Steve Foot, won the Southern Counties Floodlit Youth League's Nemean Division and were runners-up in the League's Divisional Winners Play-Off Final.

2013, the season saw our Youth Section enhanced with a get together with Whetstone Wanderers. The Wanderers' Under 15 & Under 16 teams were to play under the Cockfosters FC's name in the Eastern Junior Alliance League. This new 'affiliation' expected to be a great benefit to both clubs and would provide a continuity of players moving up into our Under 18's, Reserves and hopefully our 1st Team.

2014/15: The season's one bright spot being the displays of our Youth Section. The U18s were Southern Counties Floodlit Youth Lge. Olympian Division winners, beating Luton Town in the SCFYL's Divisional Winners Play-off Final.

2015/16: The U14's made a clean sweep of everything, winning the EJA's Herts (Brown) Division, the EJA U14 Divisional Play-Off Final, the EJA U14 Challenge Cup and the Middlesex FA County FA's U14 Cup.

2016/17: After a very successful campaign, which saw the 1st Team finish 3rd (its' highest ever position) in the SSML Premier Div. and the Reserves as R/up in the U25 Development Div.

2017/18: The U18s were Runners-up in the SCFYL's Delphian Division. The U13s won the EJA Herts (Green) Div. and also won the AFA County Youth Cup and were runners-up in the London FA Sunday Youth Cup.

2018/19: Ryan Wade appointed as 1st Team manager with Nick Mountford assistant / coach, both having played at a higher level of football. The campaign was disappointing, but the last 15 minutes of the season's final league game saw us score 3 times to win 3-2 & avoid the drop.

The youth sides continued to do well - Vas Chiotis' U14s, winning the EJA division & reaching 2 County Youth Cup finals & Brett Cahill's U17s also reached a County Youth Cup final.

2019/20 The FA moved us laterally from the Spartan South Midlands League's top division to that of the Essex Senior League, With the 2019-20 and 2020-21 seasons both curtailed by Covid19 season.

2021-2022 has been a season of change. At the end of January Ryan Wade stepped down as Manager and the highly experienced Gavin Kelsey was appointed bringing in Glenn Draper as his assistant. The 1st team reached the final of the Errington Challenge Cup Final but were unfortunately defeated 3-2 by Enfield FC.

The club continue to enter youth teams in the EJA at U13 – U18 (17). The Under 18s also continued to compete in the midweek Southern Counties Floodlit Youth League. The season brings success yet again with our U18s clinching the EJA Black Division title and the Under 15s winning the London County Cup.

Our strategy of competing in the SCFYL and the EJA at U18 continues to prove a success with many of our lads featuring in the senior squads, both representing the reserves and the 1st team

Season 2022-2023 saw Gavin Kelsey remain in charge with Glen Draper as his assistant and Phil Lovell also joining the management team. Cockfosters FC were laterally moved back to the Spartan South Midlands Premier Division and finish in 5th position.

The Reserve team continues in the Herts Senior County League with the majority basis of the squad being the youth product of our own environment. The Under 18s remain in the Southern Counties Floodlit Youth League & Eastern Junior Alliance League

The season proved to be an extremely successful one for the U18 under the guidance of club chairman Vas Chiotis. The squad clinch the quadruple, winning the SCFYL Olympian division with a 100% win campaign. They also had a clean sweep on the county cups winning the U18 Middlesex Senior Cup, U18 London FA County Cup and U17 London FA County Cup.

Season 2023-2024 continued under the stewardship of Gavin Kelsey with Glen Draper, Phil Lovell being joined by head coach Ant Burns.

The first team finished well up the table but a gruelling 11 games in 22 days ultimately cost the team a spot in the play offs.

On a positive we have reached our 2nd final in in 2 years and the players and staff will be doing their utmost to be successful on the day and secure some silverware for the club!

The U18s almost repeat the success of last season with Club Chairman Vas Chiotis guiding them to another league title. They were crowned champions on the 4th April with a 100% win record. A great achievement to secure their place in all 3 county cup finals again, only this time to be beaten on penalties in all 3 competitions.

Season 2024/2025 saw the management team of Gavin, Glen, Phil and Ant all in place and this continuity ensured a tremendous season for the first team, culminating in a third place finish in the table and a play off semi final against London Lions which went to penalties but Lions won and secured promotion beating Wormley Rovers in the final.

The Reserves again under the stewardship of Jason Hobbs finished mid table and reached a Cup Semi Final

Chairman & Under 18s Manager Vas Chiotis achieved a phenomenal success as his charges won their third consecutive League title, maintaining a tremendous feat of being unbeaten at Chalk Lane for three years running, The team rounded of the season by beating Chesham United in a great final to be crowned Champion of Champions for the season.

We go into the new season again under the management of Gavin and have welcomed Tommy Burns, twin brother of Anthony to the club as Phil Lovell has hung up his coaching boots.

Hopes are high that the 1st team will be there or thereabouts at the end of the season.

MATCH REPORT

WEDNESDAY 8TH APRIL SUBURBAN FOOTBALL LEAGUE SHIELD SEMI-FINAL.
COLNEY HEATH RESERVES 3 - HARROW BOROUGH U23'S 3 HT 2-0.
COLNEY HEATH WIN 5-4 ON PENALTIES.

For those supporters who failed to turn up for this match missed an exciting game which went right up to the final whistle with the match having to be decided on spot kicks with the young Magpies eventually coming out on top 5-4 over the Harrow Borough U23's who I must say did not give up throughout the match after being 2-0 down saw them hit back to make it 2-2. Then in the final minutes of the game, saw Colney Heath go 3-2 up but still the Borough did not give up and hit back once again for an equaliser in 90+2 to take the match to penalties.

Anyway back to the first half and Harley Fonti went close on numerous occasions with one effort going just over the crossbar whilst another being a downward header following a free kick from Harry Penny was saved on the line by a good stop from the Borough keeper Ryan O'Leary. Then for the visitors Lars O'Neil shot just over and Adam Kolli had a shot saved by Jacob Lowin. Myles Shahidi had a shot blocked by Rory Williams whilst Harley Fonti saw his goalbound effort cleared away for a corner kick by Sammy Zerrouk as the young Magpies started to put the pressure on the Borough backline. Fonti then set up Koby Duberry whose firm strike was pushed away by yet another good save from O'Leary who then had to do the same to a cracking shot from Freddie Quinn after he was set up by a good pass from Shahidi. It was not all one way though as Jacob Lowin had to be on his toes to tip over the bar a firm drive from Lars O'Neil.

Then right on the stroke of halftime saw the Colney Heath Magpies take the lead when following a deft touch from Harley Fonti saw the ball drop at the feet of **KOBY DUBERRY** and without further ado he sent a sizzling low strike past O'Leary and into the far left corner to make it 1-0 at the break.

Early in the second saw Freddie Quinn try his luck following a great run and his well struck was yet again pushed away by another good stop from Ryan O'Leary whilst Harley Fonti had a header saved and then after a nod down from David Emiloju saw Harley Fonti have a great curling shot pushed away by that keeper Ryan O'Leary yet again. Just when it seemed a second goal would not come it did, **SAM O'HARE** pushing up from the back picked up the ball just outside the box and let fly from 22 yards and the ball whistled past O'Leary and into the back of the net to give the young Magpies a 2-0 lead.

Harrow Borough seemed out of the game but then they struck with two quick counter attacks with firstly Leonardo XHAKOLA running onto a fine pass from Adam Kolli whereupon he hit a sizzling low drive into the far corner past Jacob Lowin. Five minutes later in the 75th minute it became 2-2 when Leonardo XHAKOLA again was played in and promptly drilled the ball low past Lowin for the equalising goal, it was a carbon copy of his first goal. The young Magpies tried to hit back after this shock and Harley Fonti went close twice with both efforts going really close and then Koby Duberry set him up yet again and this time he must score but no his cracking shot was pushed away for yet another good stop from O'Leary. Then in the 90th minute Colney Heath Magpies won a corner kick which Sam O'Hare curled in towards the near post and somehow HARLEY FONTI got a touch and the ball went over the line despite Harrow defenders claiming it had not but the assistant was flagging the ball had crossed over despite the efforts to clear it and so Colney Heath were 3-2 up. Surely that must be it but no Harrow Borough won a free kick just outside the box which Henry Lleshi took and he drilled it hard and low and all Jacob Lowin could do was push out straight in the path of Leonardo XHAKOLA who quickly struck it into the back of the net to make it 3-3 with the Harrow players and supporters going wild. There was just time for the kick-off and then the final whistle blew and so straight to penalties.

Harrow went first and their scorers were Youcef Bouda, Adam Kolli, Henry Lleshi and Leonardo Xhakola whilst for Colney Heath they were Sam O'Hare, Luca Bevil, Jack Price, and Finn Eames-Ellingworth so it was four all after four spot kicks each, Jacob Lowin got hand to three of them. So for the fifth penalty up stepped Kahmel Ellington for Harrow and his spot kick was well saved by Jacob Lowin and so it was all down to Koby Duberry for Heath, if he scored they were through which he did as he blasted it home for the Magpies to win 5-4. They now meet Horley Town U23's in the final at Slough, date to be arranged. Next week the Colney Heath Reserves are at home to St Albans City Reserves in the semi-final of the League Cup Plate on the 14th April KO 7-45pm.

Team: Lowin, Anthony, Bevil, Eames-Illingworth, Carpenter, Penny, Emiloju, Quinn, Fonti, Duberry, Shahidi. Subs played: O'Hare, Price, Wingate. Did not play; Chikontwe, Shodeinde.

Terry Edwards. FOOTBALL AS IT'S MEANT TO BE.

Over Easter weekend the three local teams in the Spartan South Midlands League Colney Heath, Harpenden Town and London Colney only managed to pick up one point between them in the four matches played with Colney Heath managing a 0-0 draw away at Crawley Green.

Firstly, the Colney Heath match saw them having numerous chances in the first half with Curtis Dibley having the best chance of all but he failed to put his chance away when clear in front of goal and his shot was easily saved by Cameron Groom. He then had a couple of more chances go close whilst Jed Ejjayha headed just wide after a free kick from Will Andiyapan and then Sam Ejjayha headed just over following a free kick from Andiyapan yet again whilst for Crawley saw Joe Beardon find the back of the net for them but it was ruled out for him being in an offside position. In the second half Curtis Dibley saw his stinging strike pushed around the near post by a good save from Broom after he was set up by a good pass Mayar Hajousman and from the resulting corner kick taken by Andiyapan saw his curling ball punched clear by Groom from right under the bar. As the half progressed saw the Magpies go in search of that vital goal and Sachon Edwards had a shot blocked as did Curtis Dibley and then in another attack saw Alex Strazza brought down well inside the box but no penalty kick was forthcoming and then Harrison Burke had a shot beaten away by Groom at his far post.

For Crawley Green saw Bailey Knight fire in a low drive which saw the Magpies keeper Renell McKenzie-Lyle tip around his near upright to keep the score at 0-0. Very late in the match saw Colney Heath have bad luck after Harrison Burke's fine shot was pushed away by Groom and Koby Duberry following up saw his effort hit the foot of the post and rebound back out and then in the last seconds of the match Curtis Dibley nearly broke the back of the as his shot was hit with tremendous power but alas it whistled past the far upright by only a couple of inches and then the final whistle blew for the match to end at 0-0. A point on the road but it easily could have been three. Squad: McKenzie-Lyle, Strazza, Shahdi, J. Ejjayha, Seeby, Willing, Hajousman, S> Ejjayha, Dibley, Edwards, Andiyapan, Duberry, Emiloju, Burke, Anthony, Williams(all played).

Meanwhile Colney Heath Reserves won the North Division of the Suburban Football League with a 1-0 away win over St. Albans City FC Academy with a goal from BEN PRICE which was set up by a neat through ball from Harley Fonti. Squad; Lowin, Bevil, Wingate, Eames-illingworth, Carpenter, Penny, Quinn, Chikontwe, Fonti, Cafferty, Price, Gorman, Johnson, Myers, O'Hare, Shodeinde(all played).

Harpenden Town who were playing at home Kings Langley went down 1-0 to a goal scored by George HUGHES in the first minute and although the Harps had most of the play in the second half with Jon Clements, Elliot Bailey, Ryan Plowright and Harry Andic(Becca McShane's favourite player) all having shots saved the closest they came to scoring was in the last minute when the Harps keeper Connor Freeman came up for a corner kick and saw his goalbound header cleared off the line for Kings Langley to claim all three points.

Squad: Freeman, Carberry, Agambar, Joyce, Heald, Baker, Al-Seadi, Spaul, Clements, Andic, Plowright, Austin, Asclough, Turay, Lopez, Bailey(all played).

In division one of the Spartan South Midlands League saw London Colney lose firstly 3-2 away to Rushden & Higham United with goals from Kamaai GUMBS and Andoni

AMPHLETT whilst in their second game this time at home saw them lose 2-1 to Letchworth Garden City Eagles with Dhorian BITALO netting for the Blueboys this time.

FORTHCOMING FIXTURES THIS WEEKEND SATURDAY 11TH APRIL, COLNEY HEATH ARE AT HOME TO THE FA VASE FINALISTS COCKFOSTERS FC KO 3PM. HARPENDEN TOWN ARE AT HOME ON THE SAME DATE TO AFC WELWYN KO 3PM.
