A WORD FROM THE MANAGEMENT

2. Sam Cooke -Foot (TBC)
3. Danny Mutch - Groin (2 weeks)
4. Jimmy Gore- Ankle (1 week)
5. Harry Lynn - Knee (Now Year)
6. Ollie Holt - Hamstring (October)
7. Nathan Heaton - Knee (All season)
8. Joe Navier - Knee (TBC)
9. Harry Lee - Knee (End of November)
10. Ben Parkes - Groin (Next Week)
11. Toby Wells - Knee (TBC)
12. Bailey Wilson - Foot (TBC)

The really are pulling together, through tough periods you can crumble or fight, and we are having a good go!
It hasn't been the start we would have wanted, but I keep telling the lads what doesn't kill you makes you stronger. We will come through this period better for it.

There were plenty of positives to take from Tuesday. A 3:2 loss at a good side like Goole. The lads showed character, dug in, and the desire and spirit let's us goes into today's game positively. That's the mentality we need to build on.

Today is another tough test as any game is this league is. They'll be well organised and up for it.

We've got some tough games coming up, but as more players return from injury we will be stronger. I've said it before; this is a better squad than last year. We just need to stick together and get through this patch.

Thanks again for your support. Get behind the lads today.

SECRETARY'S NOTES

ANDY YOUNG

Good afternoon and a warm welcome to everyone associated with Ilkley Town FC, who have made their way to Station View for todays game. We hope you have an enjoyable afternoon and have a safe journey back after the final whistle.

Sadly, Harrogate Railway will not be making the trip to Wembley this year for the FA Vase Final. In a tense encounter with Grangetown Boys Club, it was the visitors who edged it, with a goal just after half-time to earn a 1-0 win and a place in the next round of the competition. The day was not without drama, as yet another couple of players joined the ever-expanding injury list, which is putting the club well and truly in crisis mode.

In all my years in football I have never witnessed a run of injuries like what we are experiencing at the minute. The rock-hard pitches are certainly not helping and the rain we are experiencing this week will hopefully have some positive impact on the state of the grounds.

On Tuesday night we travelled to high flying Goole, who are enjoying a great start to the season. Despite the contrasting fortunes of the two teams, Railway pushed the hosts to the very last kick of the game and were unlucky to come away without anything to show for their efforts, going down 3-2 on the night.

One positive to come from the game was the return to action of Harry Bandeira. Harry has returned from a long injury and got a few minutes under his belt against Grangetown Boys Club on Saturday. On Tuesday night, he came off the bench, scored a goal, and came so close to earning a point for his team. Harry has worked tirelessly with our sports physiotherapists Liam Chapman and Nelson Makiwa, and hopefully all this hard work is staring to pay off.

SECRETARY'S NOTES

Behind the scenes our management team have been working hard to bring fresh faces in to strengthen the squad. There may even be a new signing on show this afternoon, so watch this space.

Getting to the end of August with a reasonable points tally has always been the target. The management know that we have quality players still on the treatment table, and that when we get something resembling our full-strength squad, we will be a tough team to beat.

Looking ahead to todays game, it is always nice to get a local derby in this league. We have enjoyed some tough battles with Ilkley Town over the years, and I fully expect Saturdays encounter to be no different. It is fair to say that both teams have not enjoyed the start to the season they hoped they would. So, a win for either side on Saturday will be a huge boost to their confidence and a platform to build on.

These are the games where we need our supporters to be right behind the team, from the first minute to the last. Hopefully, we will get that bit of luck that has so far deserted us this season and put in a performance that will have all the Railway supporters celebrating in the Clubhouse come the final whistle.

Enjoy The Game!!

Andy Young
